Fusion Cuisine is Cuisine that combines Elements of Different Culinary Traditions. Cuisines of this Type are not categorized according to any one particular Cuisine Style and have played a part in Innovations of many Contemporary Restaurant Cuisines since the 1970s. Foods based on one Culture, but prepared using Ingredients and Flavors inherent to another Culture, are also considered forms of Fusion Cuisine.... Fusion is in. Fusion fashion, Fusion Décor, Fusion Art, and "Fusion Food ! And the latter is Popular all over the World, regardless of Geography or Culture.

Fusion Food is also interestingly called 'New World Cuisine'. The Pioneer of Fusion Cooking was Wolfgang Johannes Puck, an Austrian Celebrity Chef, Restaurateur and Businessman based in Los Angeles, USA. As Consumers become more concerned about Eating Healthy, the Idea of mixing the Healthiest Ingredients from Various Cuisines becomes appealing.... So, do Experiment with Fusion Food either as a Chef, Culinary Critic, or then simply as a Gourmand/Food Lover. The rewards are Great and the Culinary Journey, interesting to say the Least.
